# CITY COUNCIL SPECIAL MEETING AGENDA/BUDGET WORKSHOP MAY 19, 2021 5:00 P.M. 

NOTICE: IN ORDER TO MINIMIZE THE SPREAD OF THE COVID-19 VIRUS, THIS MEETING WILL BE CONDUCTED PURSUANT TO THE PROVISIONS OF THE GOVERNOR'S EXECUTIVE ORDER N-29-20, WHICH SUSPENDED CERTAIN REQUIREMENTS OF THE BROWN ACT.

WE ENCOURAGE ALL MEMBERS OF THE PUBLIC TO PARTICIPATE IN THE MEETING VIA TELECONFERENCE BY CALLING (605) 468-8002, ACCESS CODE NUMBER 156811\#. ANY MEMBER OF THE PUBLIC PARTICIPATING VIA TELECONFERENCE WILL BE GIVEN THE OPPORTUNITY TO PROVIDE PUBLIC COMMENT.

ADDITIONALLY, THE MEETING WILL BE STREAMED ON YOUTUBE LIVE https://www.youtube.com/channel/UCB ZmQZIHELh-ECEPZ2VwZg

IF YOU CHOOSE TO ATTEND THE COUNCIL MEETING IN PERSON, YOU WILL BE REQUIRED TO MAINTAIN APPROPRIATE SOCIAL DISTANCING, INCLUDING, MAINTAINING A SIX-FOOT DISTANCE BETWEEN YOURSELF AND OTHER INDIVIDUALS, AND WEAR A FACE COVERING. PLEASE NOTE, SEATING IS LIMITED.

PURSUANT TO STATE ORDER, ALL MEMBERS OF THE PUBLIC ARE REQUIRED TO WEAR A FACE COVERING WHILE INSIDE CITY FACILITIES.
(Some Councilmembers may be participating in the meeting remotely via teleconferencing consistent with the Governor's Executive Order N-29-20.)

Assistance will be provided to those requiring accommodations for disabilities in compliance with the Americans with Disabilities Act of 1990. Persons requesting accommodation should contact the City in advance of the meeting, and as soon as possible, at 209-394-5544.

Notice is hereby given that the City Council will hold a Special Meeting on May 19, 2021, at the City Council Chambers, 1416 C Street, Livingston, California. Persons with disabilities who may need assistance should contact the Deputy City Clerk at least 24 hours prior to this meeting at (209) 394-8041, Ext. 121. Any writings or documents pertaining to an open session item provided to a majority of the members of the legislative body less than 24 hours prior to the meeting shall be made available for public inspection by email if requested. Public comments can be submitted via emailed at citycouncil@livingstoncity.com. Comments must be received by 2:00 p.m. on the day of the City Council meeting. You will need to provide: Meeting date, name, email and comment (please limit to 300 words or 3 minutes). Please include: PUBLIC COMMENT in the subject for the email. The Special Meeting will begin at 5:00 p.m. Members of the public may address the City Council concerning any item described in this notice and agenda before consideration of that item. No City business other than that described in this notice and agenda shall be considered by the City Council.

## CALL TO ORDER

Roll Call.
Pledge of Allegiance.
Changes to the Agenda.

## CITIZEN COMMENTS

MEMBERS OF THE PUBLIC WISHING TO ADDRESS THE CITY COUNCIL WILL BE GIVEN THE SAME TIME ALLOTMENT FOR COMMENTS (3 MINUTES) AS NORMALLY ALLOWED FOR MEETINGS SUBJECT TO THE PROVISIONS OF EXECUTIVE ORDER N-29-20

At a special meeting, members of the public wishing to address the Council for any matter on the agenda may do so at this time. Note, under the provisions of the California Government Code, the City Council is prohibited from discussing or taking action on any item not on the agenda. Comments are normally limited to three (3) minutes.

Please note that under California Government Code section 54954.3(a) (The Brown Act), Special Meeting agendas need only provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the meeting agenda before or during consideration of the item. The public will have an opportunity to comment on matters not on the agenda at regularly scheduled Council Meetings.

## AWARDS, PRESENTATIONS, PROCLAMATIONS

1. Presentation by David Preciado, Fresno Hispanic Foundation: T-Mobile Hotspot Giveaway Raffle Prize Results and Distribution by Fresno Area Hispanic Foundation Representative.

## CONSENT AGENDA

Items on the Consent Calendar are considered routine or non-controversial and will be enacted by one vote, unless separate action is requested by the City Manager or City Council Member. There will be no separate discussion of these items unless members of the City Council or City Manager request that specific items be removed.
2. Ratify Warrant Register Dated May 12, 2021.

## BUDGET WORKSHOP

3. Proposed Budget Fiscal Year 2021/2022 - Workshop.

## ADJOURNMENT

## STAFF REPORT

## AGENDA ITEM: Warrant Register dated May 12, 2021

MEETING DATE: May 19, 2021
PREPARED BY: Nancy Fuentes, Sr. Account Clerk
REVIEWED BY: Jose Antonio Ramirez, City Manager

## RECOMMENDATION:

Ratify the warrant register dated May 12, 2021

## DISCUSSION:

Government Code sections 37208 (b) and 37209 provide that accounts payable warrants or checks drawn in payment of demands certified or approved by the finance director as conforming to a budget approved by ordinance or resolution of the legislative body need not be audited by the legislative body prior to payment.

In addition, Government Code section 37208(a) provides that payroll warrants or checks need not be audited by the legislative body prior to payment. Payrolls shall be presented to the legislative body for ratification and approval at the first meeting after delivery of the payroll warrants or checks. The sum total of any payroll checks issued within the week prior to the date of the check register is also noted on the accompanying check register.

The following checks have been certified to be in accordance with the City's approved budget. The checks have been issued and the check register is presented to the City Council for ratification:

April 29, 2021 - May 12, 2021

| GENERAL WARRANTS........................ $\$$ | $\mathbf{3 7 7 , 2 8 7 . 1 1}$ | $4448-4543$ |  |

## INTRODUCTION

## CITY MANAGER'S TRANSMITTAL LETTER

Honorable Mayor, Mayor Pro-Tempore and Members of the City Council:

The City's Fiscal Year 2021/22 recommended budget has been prepared for your consideration. The budget presented to you has been built upon the City Council's strategic priorities to deliver quality programs and services to our community while preserving a sound fiscal health of the City's resources.

This past year has been an unprecedented time for many, including the City of Livingston, due to the Novel Coronavirus (COVID-19) pandemic. The economic impacts of COVID-19 have been unparalleled and continue to remain uncertain as the Fiscal Year 2021-22 Annual Budget is presented for City Council consideration. In light of this, the Budget reflects the significant and difficult work to address the significant impacts on revenues and expenses as a result of COVID-19 and is the start of continuing to manage the City's long-term fiscal sustainability.

While the City continues to analyze the full impact of the pandemic, it is imperative to build a budget document as a guide in the midst of the unknown. We are hopeful the City will start seeing some recovery in the next year through property and sales taxes. The City primarily relies on property tax and sales tax revenues to provide services to the community. Livingston's population continues to experience modest growth. Just last year, the City had a 2.8 percent increase in its population. While higher population is an exciting sign of growth, the City also recognizes some of the challenges such growth brings in the planning and managing of providing essential services.

With the passage of the American Relief Plan (ARP), although one-time funding, the City hopes to support essential infrastructure needs for water and sewer projects, offer assistance to local businesses affected by the pandemic, and backfill some of the revenue voids in our General Fund caused by the pandemic. The Budget developed supports the City's vision to create a sustainable Livingston through smart, inclusive, and equitable actions to enhance our quality of place for current and future generations. The Budget presented to Council starts addressing some critical needs in the following areas:

- Facilities and Infrastructure
- Public Safety and Sustainability
- Staff Empowerment and Operational Excellence

As the City navigates through the challenges ahead, leadership is proactively seeking strategic solutions to best avoid layoffs and service disruptions, while building a strong fiscal foundation. Our balancing measures are based on a set of principles that reflect the City's core values to protect vital and essential services for the community.

The budget preparation is a very time consuming and wearisome task. I very much appreciate all the support from the City Council and all departments along with their staff who made the budget preparation possible. Special thanks to the Finance Department for leading the effort to compile all of the departments' information. And, thanks to all the employees who undertook many hours of labor to get it done.

Respectfully submitted,

José Antonio Ramírez
City Manager

## HISTORY

Livingston was founded in 1871 by Edward J. Olds when the bridge for the new Central Pacific Railroad was built over the Merced River. Olds also started the first store and was the first postmaster. The following year, on December 12, 1872, William J. Little, who built the first warehouse in Livingston in 1868, filed the first plat of the town with the county assessor. The plat encompassed 80 blocks and was originally surveyed by William G. Collier. Collier also organized the first irrigation canal in the State of California in March of 1870. The first school house in Livingston was built in 1876 on McConnell Flats, west of town. The town was named after the famed African explorer Dr. Livingstone whose disappearance at the time created world-wide publicity.

The oldest residential structure in Livingston was built in 1883 at the corner of Court Street and Stefani Avenue. Neither the house nor the street intersection exist today. During the early 1900's, many of Livingston's currently predominant churches were built. The local newspaper, The Chronicle, was established by Peter H. Higgins, with the first issue dated October 2, 1900. The Fire Department was organized in 1909 with C.R. Davis as the first Fire Chief.

David Baldwin Chedester, a wagon master of a wagon train from lowa, is acknowledged as the first settler of Livingston in 1862. He supplied food and produce to the railroad gangs building the railroad. On November 4, 1871, the day which preceded the crossing of the Merced river by the Central (now Southern) Pacific Railroad, Edward Olds, an exmember of the railroad gang, set up a saloon and clothing "store" on the banks of the Merced river. The only other
 existing building was a grain warehouse built in 1868 by William Little who owned 2,500 acres of land for grain and grazing. Development into a town site was stimulated by railway gang workers, gold seekers, and farmers. Before there was a town, there was only the railway station of Cressey named after the pioneer family who owned 7,500 acres.
Mr. Little laid out the town by platting a visionary 80 blocks, 40 blocks on each side of the railroad track. He hoped the large number of blocks would make Livingston the county seat. He offered to sell lots of 25 by 125 feet for $\$ 1.00$ if Livingstone were chosen. In 1872, the town lost the election for a new county seat to Merced by 200 votes. In 1873, in a petition for a new post office, the final letter "E" was inadvertently deleted and the town officially became Livingston. In 1883, Cyrus Bliven purchased all the land owned by William Little including the unsold portions of the projected town site. He grew grain on the town site for many years.

Mr. Bliven and his mansion eventually gained notoriety. First, for holding séances and spiritual meetings for guests from as far away as San Francisco and Los Angeles. Then, later as a hideaway for Bill Dalton (the infamous Dalton gang of western lore), who had married Bliven's daughter while hiding from the Kansas' authorities. Livingston experienced a period of slow growth until land speculators and promoters such as the Hunter Land Company began to extol the virtues of the area to land hungry families from as
far away as lowa. This followed the granting of rights-of-way through the Bliven's land for irrigation purposes in 1908. By 1909, water was on the land. Because of irrigation, Livingston was able to achieve a period of steady growth. Livingston was incorporated in 1922 with Charles Daman as its first mayor.

Agriculture has been Livington's primary industry. The grape industry and later Gallo Wineries have achieved worldwide prominence as do the sweet potato and almond industries. Livingston is the world's headquarter for Foster Farms and has the largest poultry processing plant in the world within the city limits.

Diversity of our citizens is a trademark feature. Our Mexican population with its historical presence in the area is the dominant ethnic group. The Yamato colony, the only Japanese colony in America, have become successful land owners. The Portuguese from the Azores Islands are prominent in the dairy industry and in sweet potato farming. Filipinos filled a void for farm labor. Mennonites found a religious haven and remained as family farmers. More recently, Sikhs of India have arrived adding to the City's diversity composition.

Today Livingston is a City of rich ethnic and cultural diversity which makes it a rewarding place to live and work. The community has a deep appreciation for the past and a firm commitment to the future. Economic growth and development, and improvement of the quality of life are major goals of the entire community. Livingston has had a historically exciting past and looks forward to an even more promising future!

## LIVIngston City

The City of Livingston was incorporated on September 11, 1922, under the laws of the State of California. The City is a general law City and draws its authority from the California Constitution and the laws of the State of California enacted by the State Legislature. The City has a Council-Manager form of government. Under this municipal form of government, the citizens elect four members of the City Council for fouryear overlapping terms and a Mayor (who is also considered a City Council Member) for a two-year term. City Council members choose the mayor pro tempore from among themselves. The City Manager is appointed by the five-member City Council by majority vote and serves at the "pleasure" of the governing body.

The City Manager implements the legislative policies of the City Council, manages the day-to-day operations of the City and is responsible for the efficient and effective delivery of municipal services. In this capacity, the City Manager works with the City Council on strategic planning, policy development, ordinance preparation, and goals and objectives for the organization. The City Manager implements the decisions of the City Council and is responsible for all aspects of the City's financial and personnel
administration. The City Manager oversees the work of all staff members, consultants and City departments.

The City provides police, fire, water, sewer, storm drainage, sanitation, street construction and maintenance, community development, recreation, building inspection, economic development and general administrative services to the citizens of Livingston.

## City of Livingston Organizational Chart

## EXECUTIVE SUMMARY

The City's Operating Budget is a flexible spending plan which serves as the legal authority for departments to commit financial resources. The City of Livingston provides a wide variety of services, including public works; planning; building; engineering and inspection; recreation; economic development; public safety; and general administrative services. Livingston operates public water and wastewater utilities. The City receives fire protection services from Merced County. The total Operating Budget for Fiscal Year (FY) 2021/22 is $\$ 55.3$ million.

The City of Livingston uses separate funds to track all budgeted expenditures so as to ensure accountability and control.

## General Fund Overview

The General Fund is the primary operating fund for the City. The General Fund pays for many of the critical services offered to the City's residents including police, city personnel, street maintenance, and recreation services. Development Services are funded through permit fees, while recreation user fees help offset the operational cost of the Recreation Department. The majority of the remainder services included in the General Fund are funded through tax revenues. General Fund revenues are generally considered unrestricted and are allocated by the City Council through this budget.

The City's revenues are still in recovery mode from the pandemic impacts. The FY 2021/22 General Fund budget is balanced, meaning, projected revenues support all expenditures. Revenues and expenditures will be closely monitored and adjusted throughout the year as cost saving measures are approved and implemented.

## Enterprise Funds Overview

The City provides residents with Water, Wastewater, and Sanitation services. The charges for these services (user fees), along with the costs for providing the services, are accounted for in the individual Enterprise Funds. These funds do not receive any General Fund support and must be self-supporting, any shortfalls are currently covered with their respective Fund's Reserve Balances.

The City's user fees are set in accordance with Proposition 218 which requires customers be given the opportunity to challenge proposed rates. Rate Studies are conducted periodically to ensure the enterprise

FY 2021/22 Enterprise Funds
Budget Summary

| Budget Summary |  |  |
| :--- | :--- | :--- |
| Revenues |  |  |
| Water | $\$$ | $4,084,160$ |
| Wastewater | $\$$ | $2,272,920$ |
| Sanitation | $\$$ | $1,450,830$ |
| Expenditures |  |  |
| Water | $\$$ | $3,999,227$ |
| Wastewater | $\$$ | $2,468,939$ |
| Sanitation | $\$$ | $1,798,515$ | rates are sufficient to cover: operating expenses; capital improvements; upgrades and costs associated with meeting both State and Federal guidelines and regulations.

The City's Rate Study was completed in early 2020 and brought to Council for approval consideration. Due to the pandemic, the Rate Study adoption was postponed to September 2020. Also, in order to provide relief to the City's residents, a moratorium on penalties and service disconnections was implemented early in the year.

## Key Budget Factors

The City's estimated population, as of January 1, 2021 is 15,448 ; which is an increase of 2.8 percent. Growth is expected to continue this year, although at a much slower pace. The budget strategy crafted for this year is extremely conservative given the uncertain impacts from the pandemic and the fragile economic environment of the State. The City is focused on carefully projecting tangible and measurable resources and including critical and necessary expenditures while preserving its General Fund Reserves. This strategy will provide an opportunity for the City to continue to refine its processes, consolidate its gains, and prepare for a robust future. The following budget items were key factors in the development of this budget.

Residential Construction. Residential home construction has been on high demand for the past two-years. Currently, there are 30 units left in Bright Homes, La Manzanita, and WSP Homes Development. The City is estimating all development will be completed by the end of FY 2021/22.

Personnel Costs. With personnel costs comprising approximately 67 percent of the General Fund budget, the status of the City's labor contracts and the costs of providing negotiated benefits such as health care, retiree medical and pension benefits, will always play a significant role in the development of the budget.

Labor Contracts. The City's labor contracts with its bargaining groups are set to expire at the end of June 2021. The City is currently reviewing and negotiating the terms of the labor contracts.

Positions. In order to be adequately address any financial impacts in our current environment, this budget does not project any staff increases. As positions become vacant, the City will carefully evaluate the business need for such vacancy and determine if recruitment for the position is appropriate. Otherwise, it will freeze the position until funding becomes available.

Pensions. The City contracts with the California Public Employees' Retirement System (CaIPERS) for pension benefits. Pension costs continue to require a significant commitment of resources from the City. During the recession, CalPERS suffered significant investment losses, the impacts of which continue to be felt as pension contribution rates were increased in order to increase the funded ratio of the plans. Although the City's pension plans are currently funded at almost 83 percent, contribution rates will continue to escalate to reduce the unfunded liabilities and bring plans closer to 100 percent funded. The City's current unfunded liability is $\$ 6.5$ million.

## Capital Improvements

Improvements play a significant role in the upkeep of the City's infrastructure. Not only it is necessary for the City's integral business functions but also essential to attract and retain valuable business partnerships, and maintain the safety of our residents. The Proposed Budget FY 2021/22 includes various capital improvement projects as follows:

- Police Department Dispatch Upgrade: Cost is expected to be $\$ 125$ thousand (funded through General Fund) and will renew the useful life expectancy of the Police Department's Dispatch Center.
- Diesel Sweeper: Cost is expected to be $\$ 280$ thousand (funded through Sanitation and Districts funds). The sweeper will replace aged out equipment to continue to keep streets clean.
- Various Roads Projects: Projects are funded through Measure V, Gas Tax, and Road Maintenance funds. The City will continue to work on the Winton Parkway Widening project and the Hammatt Road overpass project.
- Well 8 \& 9: Projects are funded through the Water Capital fund. The City will continue to advance the repair work on their wells to ensure drinking water is safe and in compliance with State's regulations.

## General Fund Reserve

The General Fund reserve is similar to a savings account in which money is set aside for unforeseen economic events. Staff expects a downswing in the economy for the next Fiscal Years 2021 and 2022 as pandemic impacts continue to be felt. The City will continue to make conservative decisions over the next couple of years to maintain healthy General Fund reserves. The Proposed General Fund budget is balanced, which means revenues support all of the City's expenditures. The Proposed Budget FY 2021/22 projects a General Fund Undesignated Reserve of approximately $\$ 3.0$ million.

## 5-Year Fiscal Model

The primary objective of the Fiscal Model is to construct a long term forecast in order to help ensure the City has a financially healthy future. The past ten years have presented local agencies throughout the State with significant financial challenges. Agencies were forced to develop new ways of doing business while maintaining critical operations. In Livingston, maintaining the high service levels expected by our residents with a significantly reduced revenue base, while faced with increasing expenditure requirements, was a difficult task to achieve.

The Fiscal Model is designed to be a living document, allowing staff to continually update the projections as often as needed to keep up with changing economic conditions. The model takes the City's current financial position and, using numerous assumptions, projections, and variables provides a fiveyear fiscal forecast. The fiscal model analyzes every one of the City's General Fund revenue and expenditure components. The model alerts management and the City Council of potential shortfalls and affords them the time to develop practical solutions with minimal impacts to our citizens. In addition, it serves as a supplemental tool in the development of the City's operating budget.

## SECTION 2

## FUND DESCRIPTIONS

## Fund Descriptions

The City of Livingston's accounting system is organized on a Fund-based system. The operation of each fund is accounted for with a separate set of accounts that includes assets, liabilities, fund equity, revenues and expenditures.

The City of Livingston incorporates the budget into the Funds. This is to provide accountability and control over revenue and expenditures. Funds are organized into three broad categories which are Governmental, Proprietary and Fiduciary. These broad categories are further broken down as described below.

## Governmental Funds

These funds are used to account for tax-supported activities and everything not accounted for in another fund. There are five (5) types of governmental funds: General Fund, Permanent Funds, Special Revenue Funds, Capital Project Funds, and Debt Service Funds.

## General Government Funds

General Fund - 1100 is the primary operating Fund of the City for the delivery of general municipal services. It is used to account for all financial transactions and resources of the general government except those required by the Governmental Accounting Standards Board (GASB) or federal, state or city law or regulation to be accounted for in another Fund. The City of Livingston operates one General Fund and it is used to account for most tax-supported activities such as administration, police, fire, code enforcement, and some public works activities.

Economic Opportunity Fund - 1110 is used to account for funds used for business development/job creation opportunities. Funding comes from the General Fund and is a portion of the actual General Fund balance in excess of the estimate from the prior year.

Revenue Stabilization Fund - 1115 is used to account for funds supplementing revenue in the event of an economic downturn or some event that significantly affects General Fund revenue. Funding comes from the General Fund and is a portion of the actual General Fund balance in excess of the estimate from the prior year.

Community Development Fund $\mathbf{- 1 1 2 0}$ is used to account for fees received and expended for activities related to residential and commercial development. This includes planning, plan checks, building inspections and engineering. This also includes General Fund support required to balance revenue and expenditures.

Recreation Fund - 1125 is used to account for fees received and expended for all recreational activities. This also includes General Fund support required to balance revenue and expenditures.

## Special Revenue Funds

These are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. These restrictions usually arise from state legislation or from federal, state and county grants.

Gasoline Tax Fund - 1200 is used to account for funds limited to a variety of highway and transportation purposes. Revenues are derived from gasoline taxes collected under Sections 2103, 2105, 2106, 2107 and 2107.5 of the California Streets and Highways Code. These revenues come from gasoline taxes placed on motor vehicle fuels. Allocations are generally distributed by population. Funds can only be used for construction and maintenance of City streets and roads.

Transportation Development Act (TDA) Fund - 1201 is used to account for funds related to Livingston's allocation of the Local Transportation Fund (LTF) derived from the $1 / 4$ cent statewide sales tax. These funds can only be used for local streets and roads construction and maintenance.

Regional Surface Transportation Program (RSTP) Fund - 1202 is used to account for federal funds allocated to construct, repair, rehabilitate and maintain streets, roads, bridges, traffic control devices, sidewalks, bike lanes and other transportation infrastructure within the City of Livingston. Each year the Merced County Association of Governments (MCAG) enters into an agreement with the California Department of Transportation (Caltrans) to exchange unobligated balances of federally funded regional transportation funds with non-federal State Highway Account Funds. Funds are distributed to each city in Merced County based upon California Department of Finance figures.

Citizens Option for Public Safety (COPS) Fund - 1204 is used to account for grants obtained from the State of California to provide additional law enforcement resources. These funds are distributed by the State to the County which passes through the funding to local agencies. The minimum distribution to each agency is $\$ 100,000$.

HOME Investment Partnership Act Fund - 1205 is used to account for funds used to create, improve and retain the supply of affordable housing in the City of Livingston through federal grants issued by the U.S. Department of Housing and Urban Development (HUD). HOME funds may be used for housing rehabilitation, new construction, and acquisition and rehabilitation of single-family and multi-family projects.

CFD 2017-1 (Public Services) -1207 is used to account for funds_of a special tax to finance the impact of new development on Police Protection, Fire Suppression, and Paramedic Services, Park and Landscaping Services, and Street and Drainage Maintenance Services.

Amenities Fund - 1208 is used to account for funds used to construct, renovate or improve the historical museum, Court Theater and park facilities. A one percent fee is no longer being collected.

Community Facilities District (CFD) 2013-1 Fund - 1209 used to account for funds used for providing public services to The Orchards on New Castle.

Citywide Consolidated Landscape Maintenance Assessment District No. 1 Fund - 1211 is used to account for funds used in providing maintenance, servicing and operation of landscape improvements, median strip improvements, park improvements, graffiti removal and associated activities located within the public right-of-way and dedicated landscape easements in 25 areas (zones) throughout the City.

Benefit Assessment Districts (BAD) Fund - 1212 is used to account for funds used in the servicing and maintaining of public drainage improvements and City streets, including, but not limited to, personnel, electrical energy costs, lift stations, detention basins, storm drain pipeline and all associated facilities. The City of Livingston annually levies and collects special assessments in order to maintain improvements within 18 existing Benefit Assessment Districts (BAD).

Community Facilities District (CFD) 2005-1 Fund - 1213 is used to account for funds used in providing police services, fire protection and suppression services, and park maintenance services within the corporate limits of the City of Livingston. The Community Facilities Act of 1982 authorizes cities to form a Community Facilities District (CFD) within a defined set of boundaries for the purposes of providing public facilities and services.

HOME Program Income Fund - 1214 is used to account for loan repayments the City receives from home owners that participated in the HOME Investment Partnerships Program through grants provided by the U.S. Department of Housing and Urban Development.

Other Program Income Fund - 1216 is used to account for repayment of loans from the HOME loan program.

#### Abstract

Abandoned Vehicle Abatement Fund - 1217 is used to account for funds used to remove abandoned vehicles within the City that create a public nuisance and a health or safety hazard. A vehicle is considered to be abandoned if it is left on public or private property in such an inoperable or neglected condition that the owner's intent to relinquish all further rights or interests may be reasonably concluded. Funding comes from a $\$ 1$ registration fee for all vehicles registered within the County of Merced.

Mental Health and Police in Schools Fund - 1219 is used to account for funds used in providing the local middle school with a police officer and a mental health clinician to provide counseling, mentorship and education on a variety of issues and topics. Funding is provided through the Merced County Department of Mental Health.

Seizure and Forfeiture Fund - 1220 is used to account for funds received by the City from seizure and forfeiture activity of the Police Department.

Measure V 80\% Other Transportation Needs Fund - 1221 is used to account for $80 \%$ of the City's "Local Projects" share of funds from Merced County's 30 -year $1 / 2$ cent sales tax passed by voters in November 2016. This share may be used for projects ranging from pot-hole repair and road rehabilitation to sidewalks and safe routes to schools to freeway interchange improvements.

Measure V 20\% Alternative Modes Fund - 1222 is used to account for 20\% of the "Local Projects" share of funds that each jurisdiction receives. This sub-category is intended to fund projects that
provide transportation alternatives including bicycle, pedestrian, passenger rail or other modes of transportation that reduce single occupant vehicle use.

Road Maintenance \& Rehabilitation Account Fund - 1223 is used to account for transportation funding received per Streets and Highway Code Section 2031. This is the result of new taxes imposed on gas and diesel and vehicle registration. Funds can be used for road maintenance and rehabilitation, safety projects, railroad grade separations, traffic control devices and complete street components.

Measure V Regional Improvements - Fund 1224 is used to account for funds received from Measure $V$ sales tax for regional improvements located within the City of Livingston.

## Capital Project Funds

These funds are used to account for non-enterprise resources used to acquire or construct capital infrastructure.

Grant Capital Expenditures Fund - 1300 is used to account for funds used for the construction of major capital facilities funded by State and Federal Grants (other than grant-funded projects that are constructed in the Water Enterprise Capital Projects Fund, Domestic Wastewater Enterprise Capital Projects Fund, Industrial Wastewater Enterprise Fund or other Enterprise Funds). Grantfunded construction projects can include roads, curbs and gutters, sidewalks, bridges, buildings and other general infrastructure.

New Fire Station Capital Fund - 1310 is used to account for funds used for upgrading the new fire station.

Fire Protection Development Impact Fees Fund - 2000 is used to account for funds used for fire protection impact fees collected from new developments built in the City pursuant to the State Mitigation Fee Act (Government Code 66000 ET. Seq.) . Expenditures of fire protection impact fees can only be for the construction and improvement of public fire protection buildings and facilities as well as the purchasing of equipment needed for new developments constructed in the City.

Police Development Impact Fees Fund - 2001 is used to account for funds collected from new developments built in the City pursuant to the State Mitigation Fee Act (Government Code 66000 ET. Seq.). Expenditures can only be used for the construction and improvement of law enforcement buildings and facilities as well as the purchase of capital equipment needed to provide law enforcement services to new development.

Municipal Facilities Development Impact Fees Fund - 2002 is used to account for funds used for the construction and improvement of public buildings and facilities needed for new development pursuant to the State Mitigation Fee Act (Government Code 66000 ET. Seq.).

Parks Development Impact Fees Fund - 2003 is used to account for funds used for park impact fees collected from new developments built in the City pursuant to the State Mitigation Fee Act (Government Code 66000 ET. Seq.). Expenditures of park impact fees can only be for the
construction and improvement of public parks and facilities as well as the purchasing of park equipment needed for new developments constructed in the City.

Streets and Bridges Development Impact Fees Capital Projects Fund - 2004 is used to account for funds collected pursuant to the State Mitigation Fee Act (Government Code 66000 et. Seq.). Expenditures can only be used for the construction, improvement or expansion of streets and public thoroughfares needed for new developments constructed in the City. No fees are currently being collected.

Storm Drainage Development Impact Fees Fund - 2005 is used to account for funds used for the construction and improvement of new storm drainage needed for new development pursuant to the State Mitigation Fee Act (Government Code 66000 ET. Seq.). No fees are currently being collected.

General Plan Update Impact Fee - 2007 is used for funds received from new development that are to be used for the General Plan update.

## Proprietary Funds

These funds are used to account for the resources collected and used for business-type activities. Revenues are generated through the activity or service provided by the fund itself.

## Enterprise Funds

Enterprise Funds are used to account for those operations that are financed and operated in a manner similar to a private business enterprise where fees are charged to external users and the intended purpose of the City is either (1) that the cost (expenses, including depreciation) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges; (2) or where the City has decided that periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Water Operations Fund - 2100 is used to account for funds used in the purchase, transportation, treatment and distribution of drinking water to the residents of Livingston.

Water Capital Projects Fund - 2104 is used to account for funds used in the construction, replacement, upgrade, and improvement of major water system capital facilities.

Wastewater Operations Fund - 2101 is used to account for funds used to provide domestic wastewater services to the residents of Livingston.

Wastewater Capital Projects Fund - 2105 is used to account for funds used in the construction, replacement, upgrade, and improvement of major wastewater system capital facilities.

Industrial Wastewater Fund - 2102 is used to account for funds used for the collection, treatment and protection of the public health from wastewater generated within the City of Livingston.

Sanitation Fund - 2103 is used to account for funds used to provide refuse, solid waste, recycling and street sweeping services to the residents of the City.

TCP Settlement Fund - 2106 is used to account for funds received from several chemical companies which are used toward remediation of groundwater contamination from 1, 2, 3Trichloropropane which was allegedly included with soil fumigants used to control nematodes.

Fleet Replacement Fund - 2020 is used to accumulate funds for the replacement and purchase of vehicles which helps stabilize budgeting for major vehicle purchases.

## SECTION 4

## OPERATIONS

## Elected Officials

## Elected Officials

## Mission

The mission of the City Council is to: 1 . Protect the health, safety and welfare of the residents and 2. Maintain, promote and improve the quality of life for Livingston residents by adopting legislation and providing policy direction for the City organization through the City Manager.

## DESCRIPTION

The City of Livingston was incorporated in 1922 under the laws of the State of California. The City has a Council/Manager form of government. Under this municipal governmental form, the citizens elect a five-member City Council for overlapping terms. The term of the Mayor is two years and the term of the City Council is four years.

The City Council is responsible for strategic planning, City legislation, policy development and legislative oversight over the City Manager, department heads, professional staff, consultants, public advisory committees and all other employees, volunteers and officers appointed or retained by the City. It adopts the annual City budget and establishes goals, objectives and performance measures for the City Manager and City departments. The City Council also appoints citizens to serve on boards and commissions that operate in an advisory capacity to the City Council.

# Administrative Services 

## Administrative Services

## Mission

The mission of the Administrative Services Department is to 1. Provide leadership, support, coordination and oversight for the various City departments; 2. Provide policy recommendations to the Mayor and City Council; 3. Provide City Council, staff and public with timely and accurate financial and other information pertaining to official City business.

## Description

The Administrative Services Department provides support and advice to the City Council; offering leadership and policy support for departments; fostering community partnerships and interagency collaboration; connecting citizens with their community; providing legislative policy support; and guiding the City's continuing transformation to a highly customer focused team. The Administrative Services Department has an Administration Division and a Finance and Human Resources/Risk Management Division.

## Administration Division

The Administration Division provides overall coordination of City functions within the policy and budgetary framework established by the City Council. The Administration Division encompasses the City Manager's Office, and Deputy City Clerk.

The City Manager's Office has the responsibility to carry out the policies of the City Council, manage the day to day operations of the City, provide high levels of municipal service for the least possible cost, ensure that the needs and concerns of the community are properly addressed so that Livingston is an excellent place to live and conduct business.

The Deputy City Clerk's Office is responsible to serve as the filing officer for Fair Political Practices Commission forms and preparation of City Council meeting materials, public notices. The Deputy City Clerk maintains the City's official records (including maintenance and update of the Livingston Code), administers the City records retention program, and provides support services to the City Manager and City Council.

## Finance and Human Resources/Risk Management Division

The Finance Division plans, directs, and coordinates the fiscal affairs of the City in accordance with specific objectives established by legal and professional standards. It provides for the maintenance of the City's financial records and provides management with information necessary for sound fiscal decision. This includes budget, debt administration, financial reporting, cost and revenue accounting, accounts and loans receivable, administering transient occupancy and business license tax collections, utility billing, payroll, accounts payable, and fixed assets.

The Human Resources/Risk Management Office is responsible for all personnel functions including recruitment, compensation, labor relations, benefits, and training development. Also, it coordinates the City's risk management program and is responsible for the management of the City's liability insurance, property insurance and other insurance programs.

# ECONOMIC OPPORTUNITY <br> FUND 1110 

## DESCRIPTION

The Economic Opportunity budget represents an investment of taxes and general fund resources in activities to retain and expand existing Livingston businesses as well as marketing activities and materials to attract new investment and businesses to the City in order to generate additional sales, property, and transient occupancy related tax revenue. Funding comes from the General Fund and is a portion of the actual General Fund balance in excess of the estimate from the prior year.

Budget Summary

## Public Safety

## Police Department

## Mission

"Our Mission is to provide professional law enforcement services intended to impact the quality of life, through commitment, education, and community partnerships".

## DESCRIPTION

The Livingston Police Department has the responsibility of preserving the peace, responding to law enforcement service requests and protecting life and property within the City limits. Police officers are available 24 hours a day, seven days a week to respond to calls for service, prevention of crimes, investigate criminal activity, apprehend suspects, investigate traffic collisions, and provide animal services. Officers conduct special investigations, gang suppression, and training.

These activities are supported by the professional staff that perform dispatch services, crime analysis, effective records and evidence management and storage. The dispatch center is operated around the clock 365 days a year. On September 6, 2005, the City Council adopted Resolution 2005-98 establishing a policy of maintaining 1.5 officers per 1,000 residents.

The Livingston Police Department seeks to improve its relationship with the community through better communication and sharing its commitment to community policing. We look forward to providing proactive and innovative approaches to community problems. We value our employees and understand that they are the cornerstone of our department's success. We recognize the diverse and unique contributions made by our businesses, residents and police employees in helping us to provide a proactive approach to public safety.

The department has built a strong relationship with the schools within our community. Officers provide education programs at Livingston High School and Livingston Middle School. We currently have one (1) School Resource Officer assigned to Livingston Middle School. The MAPS Program received the 2016 James Q. Wilson Award at the California Police Chiefs Association Meeting in Ontario California. This is a state-wide Community Policing Award for excellence in community policing.

The Department operates both a Police Cadet and Police Explorer Post (POST \#518) under the umbrella of the Boy Scouts of America. The POST is very active and visible during many special local events as well as being deployed for regional events such as Pebble Beach and Mazda Laguna Seca Raceway. Dedicated Explorer Advisors provide our youth with many life skills to succeed as adults. While some may seek a career in a public safety profession, others simply enjoy the lessons taught while being an active member of the POST such as leadership, teamwork, discipline, organization, communication, and ethics. Many of our youth have gone on and continue to be successful young adults attending college, vocational schools, and joining the military.

The Police Department is the largest General Fund department in the City, employing 30 full-time sworn and professional staff personnel. In addition to the full-time employees, there are three (3) reserve officers and two (2) volunteers. The Police Department is divided into an Operations Division and Administrative Division as explained below.

## Operations Division

The Operations Division is the largest division in the Police Department. It is responsible for the overall safety of the community which includes patrol (calls for service and crime prevention), the Citizens and Police Partnership (CAPP) Program, school liaison and resource officer, animal control services, gang suppression, narcotics enforcement, emergency management, special events, police canine, mounted patrol, and internal affairs.

## Administrative Division

The Administrative Division consists of officers and professional staff assigned to it. It is divided into three bureaus:

Administrative Bureau is led by the Captain and is responsible for investigations, policy development and training, scheduling, police reserves, explorers, volunteers and public information.

Communications and Records Bureau is led by the Communications/Records Manager and oversees the dispatch services which also provides services to a neighboring jurisdiction, records
management, court liaison, livescan, interoperability, CAD system, 911 system, and maintaining a very robust body/car camera system.

Office of the Chief of Police consists of the Chief of Police and the Administrative Services Manager. The Administrative Services Manager is responsible for all correspondence from the Chief, personnel and recruitment services, crime analysis, CLETS, UCR reporting, information technology, human resources liaison, property and evidence supervision and grant research and submissions.

# CALIFORNIA CITIZEN OPTION FOR PUBLIC SAFETY GRANT (COPS) FUND 1204 

DESCRIPTION

Front line law enforcement funds are allocated to cities, counties and five police protection districts on a population basis. In FY 2000-01 the law was amended to provide a minimum frontline law enforcement allocation of $\$ 100$ thousand to any local agency receiving funding under the program.

Funds from the COPS program must be used exclusively to fund frontline municipal services. These moneys must supplement existing services, and may not be used to supplant any existing funding for law enforcement services. COPS/SLESA funds must be expended or encumbered no later than June 30 of the fiscal year following receipt or be forfeited to the County Enhancing Law Enforcement Activities Subaccount for reallocation to other law enforcement grants pursuant to law.

# ABANDONED VEHICLE ABATEMENT FUND 1217 

## Description

A $\$ 1$ fee is collected by the Department of Motor Vehicles on each vehicle registration and is paid out quarterly to the Abandoned Vehicle Abatement Authority. Merced County Association of Governments administers the money received by the Authority and distributes quarterly to participating agencies according to the agreed formula. The money received must be used for the abatement, removal, or the disposal as a public nuisance of any abandoned, wrecked, dismantled, or inoperative vehicle of part of the vehicle from private or public property. This program is scheduled to sunset July 1, 2020.

# MENTAL HEALTH AND POLICE IN SCHOOLS FUND 1219 

Description

Merced County Department of Mental Health provides funding for a police officer and mental health clinician to work as a team to provide counseling, mentorship and education on a variety of issues and topics. The Program referred to as MAPS has proven to be successful in reducing the incidents of tardiness, truancy, and expulsions and garnered a statewide award in 2016 for an innovative and successful community policing program. The current contact is funded until FY19-22.

# POLICE DEVELOPMENT IMPACT FEES FUND 2001 

## Description

The State Mitigation Fee Act (Government Code Sections 66000 et. seq.) allows municipalities to impose development impact fees on new residential, commercial and industrial developments so that each development pays its proportionate share of the impact these new developments have on the community.

The Livingston Municipal Code gives the City Council the authority to establish and charge development impact fees as a condition of approval of development projects for the purpose of defraying the cost of law enforcement buildings, facilities and equipment (including public improvements, public services and vehicles) related to development projects.

## Fire Department

## Mission

Our mission is to serve and safeguard the people and protect the property and resources within the City of Livingston.

## Description

The Fire Department delivers emergency medical services, fire suppression operations and fire prevention through inspections and public education programs. Additionally, through the current agreement with the Merced County Fire Department, the Livingston Fire Department provides emergency response services for hazardous materials, technical rescue, aircraft rescue and firefighting incidents.

Livingston Fire Department has also been engaged with interagency communications and training. In the past, we have worked with Turlock Fire Department, Atwater Fire Department and both Merced County and City Fire Department's to share resources with each other. We have collaborated on policies and training and we are looking to further strengthen our relationships by responding in each other's jurisdictions when more resources are needed. The partnerships that have been established in resource sharing will lead to safer actions on large emergency incidents and provide a greater depth of resources for us to work with in the City of Livingston.

Customer service is our number one priority in the fire service. Livingston Fire Department continues to look for ways to better serve the citizens of Livingston. Our employees are always willing to go above and beyond to assist the public we safeguard. Our goal is to serve the public in their time of need, work to mitigate the emergency and then assist to return normalcy to the community.

The mission of the department is achieved through three (3) operating commands: Administration, Emergency Response and Prevention and Investigation.

Administration Division is a professional organization continually seeking opportunities to serve our community through fire prevention, emergency operations, patient care and excellent customer service. Our administration provides direction and leadership to all areas of the Livingston Fire Department.

Emergency Response Division responds to all emergency calls with a high level of efficiency and preparedness. Manage all emergency services to ensure the safety of all citizens and firefighters. To save lives and property by providing the very best fire protection and the highest quality of pre-hospital care 24 hours a day, 365 days a year.

Prevention and Investigation manages fire investigations, public education programs, pre-fire planning and to enforce the California Fire Code through fire safety inspections and fire investigations.

## Public Works

## Public Works

## Description

The Public Works Department is responsible for the City's water system, wastewater system, storm drain system, parks system, storm drainage system, streets, landscaped areas, municipal buildings and City vehicles and heavy equipment. The Department also oversees the City's contract for the collection of garbage and recycling materials from residential, commercial and industrial customers.

The Public Works Department has budget oversight of the following funds:

| FUND | DEPARTMENT | DESCRIPTION |
| :---: | :---: | :---: |

# GAS TAX <br> FUND 1200 

## Description

Gas Tax revenues are derived from the State of California's imposition of taxes on various transportation fuels such as gasoline and diesel. The Gas Tax Fund supports limited expenditures related to highway and transportation purposes.

The use of funds is restricted by Article XIX of the California State Constitution and by Street and Highways Code Section 2101. All Motor Vehicle Fuel Tax funds allocated from the Highway Users Tax Account must be expended for the following:
(a) The research, planning, construction, improvements, maintenance, and operation of public streets and highways (and their related public facilities for non-motorized traffic), including the mitigation of their environmental effects, the payment for property taken or damaged for such purposes, and the administrative costs necessarily incurred in the foregoing purposes.
(b) The research and planning for exclusive public mass transit guideways (and their related fixed facilities), the payment for property taken or damaged for such purposes, and the administrative costs necessarily incurred in the foregoing purposes.
(c) The construction and improvement of exclusive public mass transit guideways (and their related fixed facilities), including the mitigation of their environmental effects, the payment for property taken or damaged for such purposes, the administrative costs necessarily incurred in the foregoing purposes, and the maintenance of the structures and the immediate right-of-way for the public mass transit guideways.
(d) The payment of principal and interest on voter-approved bonds issued for the purposes specified above.

# TRANSPORTATION DEVELOPMENT ACT (TDA) FUND 1201 

## DESCRIPTION

The Mills-Alquist-Deddeh Act (SB 325) was enacted by the California Legislature to improve existing public transportation services and encourage regional transportation coordination. Known as the Transportation Development Act (TDA) of 1971, this law provides funding to be allocated to transit and non-transit related purposes that comply with regional transporation plans.

TDA established two funding sources; the Local Transporation Fund (LTF), and the State Transit Assistance (STA) fund. Providing certain conditions are met, counties with a population under 500,000 (according to the 1970 federal census) may also use the LTF for local streets and roads, construction and maintenance. The STA funding can only be used for transporation planning and mass transportation purposes.

Local Transporation Fund (LTF), is derived from a $1 / 4$ cent of the general sales tax collected statewide. The State Board of Equalization, based on sales tax collected in each county, returns a share of the tax revenues to each county. The City of Livingston only receives LTF funds.

Merced County Association of Governments (MCAG) administers the LTF for Merced County and its cities.

The order of priority for the use of funds is:

1. City transit costs.
2. Bicycle and pedestrian facility costs.
3. Streets and road costs.

The funds are eligible to be spent for the repair, maintenance and construction of streets and roads. The Merced County Association of Governments (MCAG)) conducts an audit on the use of the funds in accordance with Section 6664 of the California Public Utilities Code. The audit report is due to the State Controller's Office within 180 days after the end of the fiscal year.

# REGIONAL SURFACE TRANSPORTATION PROGRAM (RSTP) <br> FUND 1202 

DESCRIPTION

Merced Countr Association of Governments (MCAG) enters into an agreement with the California Department of Transportation (Caltrans) to exchange unobligated balances of federally funded Regional Surface Transportation Program (RSTP) funds with non-federal State Highway Account funds. Funds are distributed to each city in Merced County based upon California Department of Finance population figures. Funds may be used for street and road construction and maintenance projects.

# MEASURE V 80\% OTHER TRANSPORTATION NEEDS <br> FUND 1221 

DESCRIPTION

Measure V is Merced County's 30 -year $1 / 2$ cent transportation sales tax that was passed by voters in November 2016. The measure is estimated to generate $\$ 15$ million in new revenue annually and $\$ 450$ million over the life of the measure.

50\% of the Transportation Measure funds are allocated to Local Projects of which $80 \%$ must be used to address the diverse needs of the cities and the County. The Local Projects funding category provides each of the member agencies with the flexibility to develop a priority list of local projects. This category will allow funding for projects ranging from pot-hole repair and road rehabilitation to sidewalks and safe routes to schools to freeway interchange improvements.

# MEASURE V 20\% ALTERNATIVE MODES FUND 1222 

## Description

Measure V is Merced County's 30 -year $1 / 2$ cent transporation sales tax that was passed by voters in November 2016. The measure is estimated to generate $\$ 15$ million in new revenue annually and $\$ 450$ million over the life of the measure.

50\% of the Transportation Measure funds are allocated to Local Projects of which 20\% must be used for Alternative Modes projects. This sub-category is intended to fund projects that provide transportation alternatives including bicycle, pedestrian, passenger rail, or other modes of transporation that reduce single-occupant vehicle use.

# ROAD MAINTENANCE AND REHABILITATION ACCOUNT FUND 1223 

## DESCRIPTION

State legislation created the Road Maintenance and Rehabilitation Program to address deferred maintenance on the State Highway System and the local street and road system, and the Road Maintenance and Rehabilitation Account (RMRA) for the deposit of various funds for the program. A percentage of this new RMRA funding will be apportioned by formula to eligible cities and counties pursuant to Streets and Highways Code section 2032(h) for basic road maintenance, rehabilitation, and critical safety projects on the local streets and roads system.

Funding comes from an increase in tax on gas and diesel and an increase in vehicle registration fees.

# MEASURE V REGIONAL IMPROVEMENT FUND 1224 

## Description

Measure V is Merced County's 30 year $1 / 2$ cent transportation sales tax that was passed by voters in November 2016. The Measure is estimated to generate $\$ 15$ million in new revenue annually and $\$ 450$ million over the life of the Measure.
$44 \%$ of the transportation funds are allocated to Regional Improvements. $27 \%$ must be spent on projects east of the San Joaquin River.

# MUNICIPAL FACILITIES IMPACT FEES FUND 2002 

## Description

The State Mitigation Fee Act (Government Code Sections 66000 et. seq.) allows municipalities to impose development impact fees on new residential, commercial and industrial developments so that each development pays its proportionate share of the impact these new developments have on the community.

The Livingston Municipal Code gives the City Council the authority to establish and charge development impact fees as a condition of approval of development projects for the purpose of defraying the cost of public buildings and facilities (including public improvements, public services and community amenities) related to development projects.

# PARK DEVELOPMENT IMPACT FEES FUND 2003 

## Description

The State Mitigation Fee Act (Government Code Section 66000 et. seq.) allows municipalities to impose development impact fees on new residential, commercial and industrial developments so that each development pays its proportionate share of the impact these new developments have on the community.

The Livingston Municipal Code gives the City Council the authority to establish and charge development impact fees as a condition of approval of development projects for the purpose of defraying the cost of parks and open space (including public improvements, public services and community amenities) related to development projects.

# STORM DRAINAGE DEVELOPMENT IMPACT FEES FUND 2005 

Description

The State Mitigation Fee Act (Government Code Sections 66000 et. seq.) allows municipalities to impose development impact fees on new residential, commercial and industrial developments so that each development pays its proportionate share of the impact these new developments have on the community.
The Livingston Municipal Code gives the City Council the authority to establish and charge development impact fees as a condition of approval of development projects for the purpose of defraying the cost of storm drainage and flood control facilities (including public improvements, public services and community amenities) related to development projects.

This impact fee is currently not being collected.

# WATER ENTERPRISE FUND 2100 

## Mission

Provide clean drinking water to the residents of the City of Livingston through the effective management of the City's purchase, transportation, treatment, and distribution of resources.

## DESCRIPTION

Livingston provides potable water service to its residential, commercial, industrial and institutional customers within the City limits. The City's municipal water system extracts water from the underground aquifers via a series of groundwater wells distributed throughout the City. The City relies on groundwater to meet its supply needs. According to the 2000 Urban Water Management Plan, feasible alternative sources do not exist within or nearby the City of Livingston. The City must rely on the underlying groundwater basin as an expanding source for future water supply.

The City's water system facilities includes eight (8) active groundwater wells, a 1 million-gallon water storage tank, and over 49 miles of pressured pipes ranging from two-inches to 16 -inches in diameter. The active wells have a current supply capacity of approximately 13 million gallons per day. The supply capacity, which is defined as the total capacity less one of the largest wells being out of service, is approximately 10 million gallons per day. Water storage is provided to balance the water system and to meet fire flow and emergency requirements.

# WATER CAPITAL <br> FUND 2104 

## Description

The State Mitigation Fee Act (Government Code Sections 66000 et. seq.) allows municipalities to impose development impact fees on new residential, commercial and industrial developments so that each development pays its proportionate share of the impact these new developments have on the community. An impact fee is an exaction:

- In the form of a pre-determined monetary payment.
- Assessed as a condition to the issuance of a building permit, an occupancy permit, or subdivision map approval.
- Imposed pursuant to local government powers to regulate new growth and development and provide for adequate public facilities and services.

# DOMESTIC WASTEWATER FUND 2101 

Mission

Provide reliable collection and treatment of domestic wastewater generated within the City of Livingston through the efficient management of the City's resources.

## Description

Livingston operates its own wastewater collection system and domestic wastewater treatment plant. This collection system consists of approximately 31.25 miles of 6 -inch through 27 -inch diameter sewer pipe. Approximately half of this total consists of 8 -inch sewer mains. The "backbone" of the system consists of sewer trunk lines, generally 10-inches in diameter and larger, that convey the collected wastewater flows to the domestic wastewater treatment plant. Livingston's first domestic wastewater treatment facility was constructed in 1963. It consisted of screening, grit removal, primary clarification, anaerobic digestion, solar sludge drying, and six treatment/percolation ponds. There are nine (9) lift stations in the collection system, the largest of which is the Highway 99 Lift Station. The Highway 99 Lift Station pumps wastewater collected from the east side of Highway 99, and discharges it on the west side of the highway into the Vinewood sewer trunk line.

In 2004, Livingston completed a $\$ 7.7$ million upgrade to the facility that included a new oxidation ditch, two new secondary clarifiers, four new influent pumps, and a mechanical bar screen. The plant has been producing an excellent effluent consistently well below the effluent limits. The Biochemical Oxygen Demand, Total Suspended Solids, and nitrogen levels have all been less than $10 \mathrm{mg} / \mathrm{l}$, approximately 20 percent of the maximum allowable limits.

# DOMESTIC WASTEWATER CAPITAL FUND 2105 

## DESCRIPTION

The State Mitigation Fee Act (Government Code Sections 66000 et. seq.) allows municipalities to impose development impact fees on new residential, commercial and industrial developments so that each development pays its proportionate share of the impact these new developments have on the community.

## SANITATION FUND 2103

## Description

The Sanitation Enterprise Fund accounts for the financial resources collected and used to provide weekly automated residential, commercial and industrial garbage, recyclable materials and green waste collection to approximately 2,750 single-family residential units, 92 commercial dumpsters, one mobile home park and 41 multi-family residential units. Waste collection services are contracted out with Gilton Solid Waste Management.

In addition to picking up garbage and recyclable materials, the Sanitation Enterprise Fund is also responsible for street sweeping services. Streets are swept in accordance with the attached schedule.

## Recreation

## Recreation Superintendent

## Recreation

## Mission

Provide recreational opportunities, athletic programs, special events and recreational, educational and cultural classes for the residents of the City of Livingston.

## DESCRIPTION

The Recreation Department is responsible for recreation programs, athletic programs, special events and recreational, educational and cultural classes that:

- Encourages community spirit and fellowship.
- Allow all players an equal opportunity to participate.
- Instructs players in the development of their physical and mental capabilities.
- Builds good character and encourages team work.
- Develops good sportsmanship.
- Implements the principles of fair play.
- Improves physical fitness.
- Have fun!

City of Livingston's Recreation programs include boy's baseball, girls' softball, youth basketball, youth soccer, swim team, water polo, and adult co-ed softball. As facilities become available, indoor soccer and volleyball for youth and adult is planned.

In addition to athletic programs, the Recreation Department is responsible for the summer swim programs at Livingston High School and Summer Day Camp at Campus Park Elementary. Special Events for the community include the Certified Farmers' Market \& Street Fair, Music in Memorial on Mondays a "Spring Concert Series", Easter Egg Hunt, Sweet Potato Festival, Lighted Christmas Parade and Gift Fair and, the Court of Trees "A Lighted Christmas Tree Forest". Recreation sponsored classes include Kempo Karate, Ballet, Jazz Dance, Hip Hop, Golf, Art, and Cheerleading. Park Facility Rentals and joint use with High School and Elementary School Districts.

The Recreation Department also has the responsibilities of the Recreation and Arts Commission coordination. This commission is the voice of the residents to the department. It has taken a lead
 on the Downtown Art District Mural Project.

## AMENITIES IMPACT FEES <br> FUND 1208

## DESCRIPTION

The Livingston City Council established a one percent amenities fee on all new residential building permits on May 3, 2005. This fee is paid by the builders at the time that the building permit is issued for improvements to the historical museum, and City parks. The amount of the fee is based on the valuation of each new structure built in a subdivision with a development agreement.

Fee is not currently being collected.

## Community Development

## Mission

The mission of the Community Development Department is to 1 . Implement the City's General Plan; 2. Conduct planning studies and prepare long-range plans; 3. Provide professional residential, commercial and industrial planning services to City applicants, the Planning Commission and City Council; 4. Conduct plan checks, issue building permits and inspect buildings and other public structures; and 5 . Provide code enforcement services to protect property values and the health, safety and welfare of the community.

## DESCRIPTION

The Community Development Department oversees all development within the City of Livingston including overall design of the City as well as specific commercial, residential and industrial site plans, building designs, community aesthetics, and property maintenance. The Community Development Department is encompassed by the Planning, Building, and Engineering Divisions.

Planning reviews all residential, commercial and industrial development proposals made by developers to the City of Livingston. It processes all requests for annexations, rezoning, conditional uses, and subdivision maps. Planning Division personnel serve as staff members to the City Council, Planning Commission and various citizens' advisory committees. The Planning Division is also responsible for long-range and advanced planning services.

Building conducts plan checks, issues building permits and inspects residential, commercial and industrial structures under construction. Building inspections, permit processing and customer service is performed through a third-party contract.

Engineering functions are currently outsourced through a consulting contract to assist with development of all public infrastructures. This division also reviews tentative maps, parcel maps, final maps, lot-line adjustments, grant deeds, grant easements, conditional use permits, and oversees infrastructure technical studies and development impact fees studies. Contracted personnel prepare bid documents and assist the City in the in the preparation and submittal of reimbursement requests to State and other funding agencies and bidding process, award of construction contracts, and construction management.

# HOME INVESTMENT PARTNERSHIP ACT FUND 1205 

## Description

The HOME Investment Partnership Act is a program administered by the U.S. Department of Housing and Urban Development (HUD). The City obtained funds by making an application to the California Department of Housing and Community Development (HCD). HOME funds may be used for housing rehabilitation, new construction, and acquisition and rehabilitation of single-family and multi-family projects.
The City of Livingston HOME Housing Rehabilitation Program was designed to improve the housing of lowand moderate-income persons in a manner that addresses health and safety concerns, conserves the existing housing stock and contributes to neighborhood revitalization and preservation. To fulfill this objective, financial rehabilitation assistance was offered throughout the City to Targeted Income Group (TIG) persons.

Funds have all been expended except for a very small residual amount.

# COMMUNITY FACILITIES DISTRICT (CFD) 2017-1 FUND 1207 

DESCRIPTION

CFD 2017-1 funds the impact of new development on Police Protection, Fire Suppression, and Paramedic Services, Park and Landscaping Services, and Street and Drainage Maintenance Services.

- Police Protection, Fire Suppression, and Paramedic Services means the estimated and reasonable costs of providing Police, Fire and Paramedic services, including but not limited to (i) the costs of contracting for police, fire and paramedics, (ii) the salaries and benefits of City staff, if the City directly provides Police, Fire and/or Paramedic Services, (iii) the expense related to equipment, apparatus, and supplies related to these services and authorized by the Act, and (iv) City overhead costs associated with providing such services within the CFD.
- Park and Landscaping Services means the labor, material, administration, personnel, equipment, contract services, and utilities (i.e., water and power) necessary to maintain landscaping improvements within, and associated with, the CFD, including trees, turf, ground cover, shrubs, weed removal, irrigation systems, sidewalk, drainage facilities, lighting, signs, monuments, graffiti removal, walkways, and associated appurtenant facilities located within, or associated with, the CFD and reasonable costs of providing park maintenance, including but not limited to (i) the costs of contracting for park maintenance services, including trees, plant material, restrooms, irrigation systems, sidewalks, drainage facilities, weed control, lighting, and parking lot maintenance, (ii) the salaries and benefits of City staff, including maintenance staff, that directly provide park maintenance services, (iii) the expense related to equipment, apparatus, and supplies related to these services and authorized by the Act, (iv) utility costs such as water, sewer, lighting and power and (v) City overhead costs associated with providing such services within the CFD.
- Street and Drainage Maintenance Services means the labor, material, administration, personnel, equipment and utilities necessary to maintain streets, streetlights, drainage, storm systems, and associated appurtenant facilities within, and associated with, the CFD, including City overhead costs associated with providing such services within the CFD.

# CITYWIDE CONSOLIDATED LANDSCAPE MAINTENANCE ASSESSMENT DISTRICT (LMD) NO. 1 FUND 1211 

Description

Citywide Consolidated Landscape Maintenance Assessment District serves several original landscape districts or zones within the City. Each of the original zones was established as a separate benefit zone before being consolidated into the single District. The maintenance of the improvements provides the following special benefits to the properties within the District:

- Enhanced desirability of properties within the District.
- Improved aesthetic appeal to properties within the District providing a positive representation of the area.
- Enhanced adaptation of the urban environment within the natural environment through adequate green space and landscaping.
- Environmental enhancement through improved erosion resistance, dust and debris control, and reduced noise and air pollution.
- Reduced personal property loss and reduced vandalism resulting from enhanced surroundings.
- Increased promotion of business and business opportunities resulting from a positive representation of the area.

## General Description of Services

The District provides for maintenance, servicing and operation of landscaped improvements, park maintenance, graffiti removal, and associated appurtenances located within the public right-of-way and dedicated landscape easements in 26 areas or zones throughout the City. Each zone has specific improvements that provide a special and direct benefit to the parcels within the zones. All parcels that are identified as being within the zone, share in both the cost and the benefits of the improvements. The costs associated with improvements are equitably spread between all benefiting parcels within that zone. Improvements within the District are generally parks, landscaped medians, and parkways. These improvements also include turf, ground cover, shrubs and trees, and irrigation systems, graffiti removal and walkways.

# BENEFIT ASSESSMENT DISTRICTS <br> (BAD) <br> FUND 1212 

DESCRIPTION

The City of Livingston has nineteen (19) Benefit Assessment Districts within the City. These Districts, by the use of special benefit assessments, provide funding for the maintenance of public drainage improvements. These improvements are made in accordance with the Benefit Assessment Act of 1982, Chapter 6.4, Division 2, Title 5 of the Government Code of the State of California commencing with Section 54703.

The improvements to be serviced and maintained in each District are public drainage improvements and City streets, including, but not limited to: personnel, electrical energy costs, a lift station, detention basin, storm drain pipeline, and all appurtenant facilities required for operation and maintenance of the above-mentioned improvements. Maintenance, servicing and operation shall include, but are not limited to repairing outlets if damaged, cleaning retention basins and repairing damage related to flooding together with implementation of and compliance to applicable municipal storm water quality objectives and State and Regional water quality regulations.

# COMMUNITY FACILITIES DISTRICT (CFD) 2005-1 FUND 1213 

DESCRIPTION

CFD 2005-1 finance the impact of new development on Police Protection, Fire Suppression, and Paramedic Services, Park and Landscaping Services, and Street and Drainage Maintenance Services.

## Public Safety Services

Public safety services include police services and fire protection and suppression services of the City of Livingston required to sustain the service delivery capability for emergency and non-emergency services to new growth areas, including, but not limited to, related facilities, equipment, vehicles, ambulances and paramedics, fire apparatus services, supplies and personnel.

## Park Maintenance Services

Park maintenance services include, but are not limited to, labor material, administration, personnel, equipment, and utilities necessary to maintain park improvements within the District, including recreational facilities, trees, plant material, sod, irrigation systems, sidewalks, drainage facilities, weed control and other abatements, public restrooms, signs, monuments, and associated appurtenant facilities located within the District.
